Plan Termination

Brad has been providing actuarial and employee benefits consulting since 1987 and has been a principal of the firm since 1990. Brad serves as the relationship manager and provider of actuarial services for a number of the firm's long-term clients. He is involved in actuarial valuation systems maintained by the firm for mission critical services. His personal highlights include maintaining ongoing relationships with many clients through a variety of circumstances and management changes over the last 30 plus years. He continues working with his clients to manage the risks related to their retirement plans. A number of those plans have been terminated effectively and successfully in recent years. Brad is a member of the firm's Practice Standards Committee and the Government Practice Group. Brad is a Fellow of the Society of Actuaries and an Enrolled Actuary.

Education

David Lipscomb University, Nashville, TN — B.S., Mathematics
