Implementation

Tommy is an actuarial consultant in the Nashville office of BPS&M. He has more than 23 years of experience in the design, funding, administration, and regulatory compliance of qualified retirement plans and nonqualified deferred compensation plans. His primary practice areas are plan design and asset/liability studies. Tommy has worked with key clients to create and manage retirement programs specifically designed to meet their benefits goals. He works with private-sector employers in a variety of industries, including manufacturing, transportation, hospitals, food service, and professional services firms. In addition to his client responsibilities, Tommy is the leader of the BPS&M Asset/Liability Practice Group.

### Education

University of Memphis, Memphis, TN — B.S., Mathematics
