Blaine Brickhouse is a Managing Consultant in Findley Davies' Actuarial Services Practice. He joined the firm in 2004. Prior to joining the firm, Blaine was Vice President and Consulting Actuary with a national employee benefits consulting firm, serving a wide variety of clients in various industries, including financial, health care, and manufacturing.

He has extensive experience consulting on retirement benefit programs and providing actuarial services relating to the design, installation, and plan administration of qualified and non-qualified retirement plans. His areas of practice include valuations relating to plan design, ongoing funding and accounting expense, mergers/spin-offs, governmental plans, top-heavy plans, plan terminations, and retiree medical valuations.

Blaine became a Fellow of the Society of Actuaries in 1987, and an Enrolled Actuary and a Member of the American Academy of Actuaries in 1981.
