Plan Terminations

Actuarial Systems

Beth Eve is an Actuarial Analyst with Findley Davies. She brings over 20 years of experience in a wide array of plan analysis and administration in several Human Capital/Benefits Consulting areas including Defined Benefits, Health and Welfare, Defined Contribution 401(k) Plan Administration and Recordkeeping, and Personalized Benefits Communications.

As an actuarial analyst, Beth prepares actuarial and retiree health care valuations, spreadsheets, databases, benefit calculations, government forms, and assists consultants and actuaries in plan design studies. In addition, Beth calculates incurred but not reported (IBNR) health care claim reserves for many self-funded schools and public entities under ORC 9.833.

Beth also has international consulting experience as she lived and worked in Hong Kong for three months preparing personalized benefit comparisons for a Chinese government mandated pension program, Mandatory Provident Fund.

Education

Indiana University of Pennsylvania, Indiana, Pennsylvania —
B.S., Applied Mathematics

What's Your Passion?

In addition to traveling, I love playing golf, birding, photography, reading, and watching baseball. I have visited 23 of the 30 major league baseball parks.

Professional and Community Involvement

- Promise Choir, 1995 to present
- Mission trips to Tennessee, Hungary, Romania, and Papua New Guinea, 2000 to present
