Greg Faltenovich is an Actuarial Consultant in Findley Davies' Actuarial Services Practice. Greg joined Findley Davies in 2013. He prepares benefit calculations, spreadsheets, databases, actuarial valuations, various studies and government forms. Greg assists in preparing plan design studies and other related projects. Prior to joining Findley Davies he worked at a global human resources consulting firm.

Greg is currently pursuing actuarial credentials through the firm-sponsored program.

Education

Ball State University, Muncie, Indiana — Masters, Actuarial Science

University of Pittsburgh, Greensburg, Pennsylvania —

B.S., Applied Mathematics

What's Your Passion?

My passion is my family. I have two wonderful children and a beautiful wife. I enjoy watching the Pittsburgh Steelers and University of Pittsburgh sports teams and playing basketball.
