Kyle is a Senior Actuarial Consultant in the Findley Davies' Actuarial Services Practice. He prepares benefit calculations, spreadsheets, databases, actuarial valuations and government forms. He assists in preparing plan design studies and other related projects. Kyle also has experience in Healthcare systems, assisting clients with evaluating their Population Health Management Programs.

Kyle is a member of the American Academy of Actuaries and an Enrolled Actuary.

Education

The Ohio State University, Columbus, Ohio — B.S., Actuarial Science

What's Your Passion?

In the summer I enjoy golfing and watching baseball. In the fall and winter I enjoy cheering on the Buckeyes' football and basketball teams, as well as taking in a few Blue Jackets games. My family likes to travel whenever we get the opportunity and are always looking for new places to visit.
