

MATT McCULLOUGH

Principal

Areas of Expertise

Vendor Selection

Flexible Benefits Design & Implementation

Claim Audits

Managed Care Evaluation

ClaimScan Health Data Services

Dependent Eligibility Audit

Matt McCullough is a Principal in Findley Davies' Health and Group Benefits Practice. Matt joined the firm in 1997. Prior to joining Findley Davies, he held a management position with a large banking and financial institution and was a senior associate with a national insurance and investment brokerage firm.

He has significant experience working with a diverse group of clients to evaluate managed care networks and health care claims and utilization patterns. In addition, clients appreciate his expertise in vendor selection and performance management.

Education

Miami University, Oxford, Ohio — B.S., Zoology/Chemistry
