Jack joined Findley Davies in March 2014 as an Administrator in the Defined Contribution Recordkeeping and Administration Practice.

As an Administrator, Jack manages and processes daily transactions for 401(k) plans, researches and responds to participant and plan sponsor inquiries, completes daily and quarterly reconciliations for each assigned plan and provides excellent service to plan sponsors regarding questions relating to their 401(k) plans. He works closely with the Senior Administrator of each plan and assists them with special projects as needed.

### Education

The University of Toledo, Toledo, Ohio — B.B.A., Finance, International Business

### What's Your Passion?

My wife Lauren, our golden retriever Penny, and I enjoy hiking the State/ National Parks of Ohio. When it is football or baseball season you will find me in front of the TV watching the Detroit Tigers, the Dallas Cowboys, and the Notre Dame Fighting Irish. My wife and I have played just about every sport imaginable and enjoy playing coed sports with our friends on the weekends.
