De-risking Strategy

Plan Termination

Gail is a Managing Consultant in Findley Davies' Actuarial Services Practice who joined the firm in 1986. She has responsibility for a wide range of pension and retiree health care benefit matters, including actuarial valuation preparation, strategic planning, plan design, accounting calculations, funding calculations, forecasting, administration, and compliance. Throughout her consulting career, Gail has assisted many employers in understanding the complex funding and accounting rules pertaining to pension and retiree medical plans. She has also assisted employers with the Retiree Drug Subsidy program that was implemented with Medicare Part D.

Gail became an Enrolled Actuary in 2004, a Member of the American Academy of Actuaries and the American Society of Pension Professionals and Actuaries in 2005, and a Fellow of the Conference of Consulting Actuaries in 2010.

Education

Kent State University, Kent, Ohio — M.S., Mathematics

Kent State University, Kent, Ohio — B.S., Mathematics, Summa Cum Laude
