

## MIKE SZYPERSKI

Senior Consultant

### Areas of Expertise

Defined Contribution Plan  
Design and Implementation

Plan Compliance

Form 5500 Filing

Plan Documentation

Operation Compliance Review

Mike joined the firm as a consultant in 2013 and assists client organizations in finding retirement plan solutions that meet their long-term business objectives. Mike is actively involved in the administration, compliance testing, design, implementation, and communication of defined contribution retirement plans.

Mike has more than fourteen years of experience providing retirement administration consulting services to employees.

### Education

Bowling Green State University, Bowling Green, Ohio — B.S., Mathematics

### Publications and Presentations

- *Retirement Plan Service Providers – When the Cheapest Option May Not Be the Least Expensive*, Viewpoint, 2013

### What's Your Passion?

Life outside of work revolves around my wife and three children. After soccer practices, school functions, homework, and life in general, you will likely find my wife and I cuddled up catching up on our favorite television shows.
