

JOHN WEBER

Managing Principal

Areas of Expertise

DC Plan Design and Implementation

Retirement Plan Benchmarking

Pension Plan Administration

Investment Advisory Selection Management

Vendor Strategy and Selection Management

Operational Compliance Review

John Weber is the firm's Managing Principal who joined Findley Davies in 1994 as Business Operations Manager and has also served as leader of the Defined Contribution Recordkeeping and Administration and Retirement Plan Services Practices. Prior to joining Findley Davies, John held various positions in the financial departments of two major corporations.

John is responsible for the overall direction and strategy of the firm including initiatives to introduce new services and grow the firm both organically and through strategic acquisition. When consulting on specific client engagements, John specializes in the design and administration of qualified retirement plans.

John possesses significant market knowledge of the companies who service the retirement marketplace which benefits his clients in selecting the provider that best matches their needs and culture.

Education

Bowling Green State University, Bowling Green, Ohio – B.S., Accounting

What's Your Passion?

To unwind, you'll often find me grilling out after a long day of working in the yard, or heading off for some relaxation on Sanibel Island with my wife.
